

Assima Academy achieves 95.8% customer satisfaction in 2013

Academy is Assima's training division offering a range of courses designed for users at all levels of skill in Assima products and methodologies. Assima takes pride in evaluating its training performance and how satisfied its customers are across the globe. A recent survey* delivered these results.

“ Good course with plenty of hands on time to try the applications ”

Steve Kirschbaum, Swedish American, AAL Foundations, United States

“ Very professionally done, structured and gives plenty of food for thought ”

British Gas delegate, Train the Trainer, United Kingdom

“ A well-tailored course ”

Nik Thornhill, GSK, ATS Foundations, United Kingdom

“ Trainer was well engaged and thorough. She was funny, patient, and kind. Very enjoyable! ”

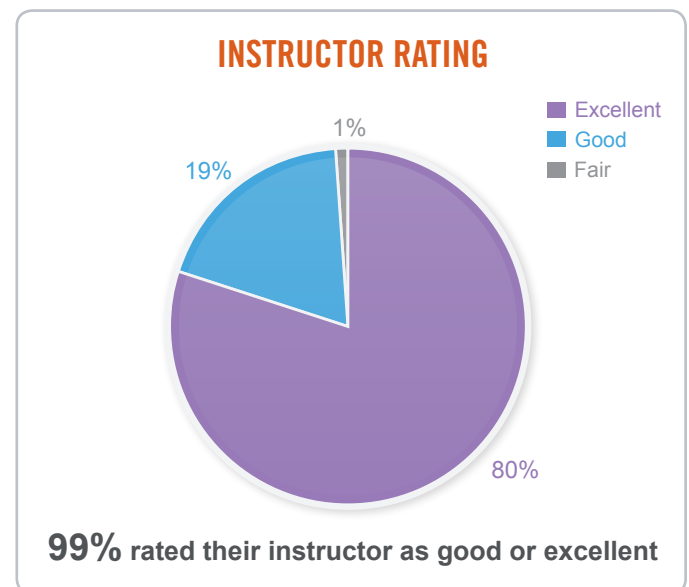

Amanda Lynch, Swedish American, AAL Foundations, United States

“ Excellent instructor, extremely knowledgeable and helpful ”

Nadya Hickey, GSK, ASTT Foundations, United Kingdom

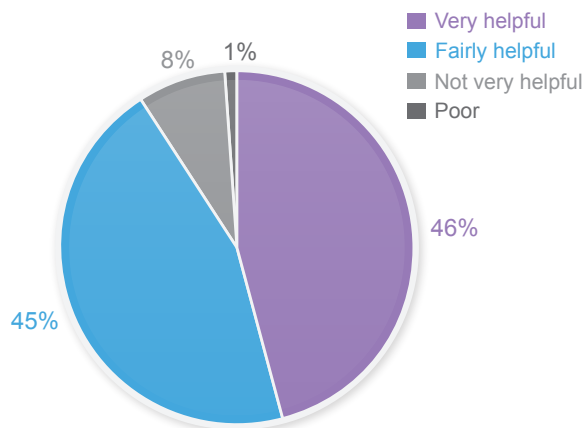

“ The instructor was brilliant ”

Martin Hopely, Whittan Storage, ASTT Foundations, United Kingdom

* Survey data: 202 delegates attending 65 different training events on 9 different subjects, January - December 2013
